Re: Axton Cross Company, Inc.

Dear Mr. Tucker:

I am preparing this short letter as I have not been able to reach you by phone.

I represent Axton Cross Company, Inc. of One Cross Street, Holliston, Massachusetts. The Company received a request for information concerning the scientific chemical processing superfund site at Carlstandt, New Jersey, dated January 5, 1995. I also received a similar request addressed to me as an individual attorney. Please note for your records that I will not be responding to the request. With the exception of representing Axton Cross Company, Inc., I have had no involvement with this topic. At the same time, Axton Cross Company, Inc. is in the process of preparing a full response, and will reply on or before February 13, 1995 as previously agreed with Masoom Khan.

If there should be any questions or comments concerning the above, please do not hesitate to contact me.

Sincerely,

Michael P. Healy
